Conference Dates: June 13 and June 14, 2019

Conference Location: Loyalist Lakeview Resort, Summerside, PEI

2-day course for healthcare professionals

Target Learners: Healthcare professionals (mainly physicians, nurses, pharmacists but also others) whose primary focus of work is not palliative care but who in the course of their work care for patients with life-threatening and progressive life-limiting illnesses

Provides learners with the essential, basic competencies of the palliative care approach

Ideal for developing teamwork, promoting interprofessional collaboration, and promoting collaboration amongst providers in different agencies who need to work together (e.g. community-based family physicians, home care nurses, community pharmacists, etc.)
